Legal Entity TCFD Aligned Report

# Purpose

This is Legal & General Investment Management's (LGIM) second annual TCFD aligned entity-level report setting out how Legal and General Assurance (Pensions Management) Limited (PMC) takes climate-related risks and opportunities into account when administering investments on behalf of clients and consumers.

Legal & General Group Plc's TCFD aligned report, referenced as L&G – Climate and Nature Report 2023 throughout this document, sets out our group-wide strategy and approach regarding climate-related risks and opportunities. Therefore, this TCFD aligned entity report should be read in conjunction with the L&G – Climate and Nature Report 2023. The L&G – Climate and Nature Report 2023 also includes aggregated group metrics that are relevant to PMC and the assets it administers.

This report is designed to describe how the overall TCFD in-scope assets are governed, how strategy is set, how climate risks are managed and where there are differences in approach as outlined in the L&G Climate and Nature Report 2023.

PMC is a provider of unit-linked insurance policies and segregated pension fund management contracts. It is responsible for the management of funds for Defined Benefit and Defined Contribution pension fund clients, is a product manufacturer of funds, and provides fiduciary management services. PMC delegates investment management of its assets to investment management companies within LGIM.

## Compliance statement

The disclosures in this report, including the product reports cross referenced, comply with the TCFD recommendations, entity reporting requirements and product-level reporting requirements set out in chapter 2 of the FCA's Environment, Social and Governance sourcebook.

## Delegations

Legal & General Investment Management (Holdings) Limited ("LGIM(H)") is the holding company for LGIM and is a wholly-owned subsidiary of Legal & General Plc. It acts as the controller of the LGIM(H) group of companies, monitoring and overseeing the performance of LGIM. The LGIM(H) Board is responsible to its shareholder, Legal & General (L&G), for promoting the long-term success of LGIM(H) and in particular, for outlining LGIM's strategic priorities, monitoring management's performance against those strategic aims, setting the risk appetite, ensuring that effective controls are in place and that the division is adequately resourced.

As a direct subsidiary of LGIM(H), PMC leverages and benefits from the wider governance structure of LGIM. Formal delegations are in place to support the framework and enable committees of LGIM to focus on matters on behalf of PMC. This includes matters relating to climate-related risks and opportunities and would include forums such as the LGIM(H) Risk Committee, LGIM(H) Investment Stewardship Committee, LGIM Executive Committee, Executive Risk Committee and Product Governance Committee, all of which undertake duties on behalf of PMC as illustrated in the abbreviated chart below.

Note: All committees oversee climate-related risks and opportunities
